

**Features:**

- *Dual Functionality - Fire and Ice: Unleash the versatility of our firetable with its built-in stainless steel ice bucket. Transform your gathering space into a refreshing oasis during warmer seasons by filling the ice bucket with your favorite beverages. It's a perfect dual-purpose feature for year-round enjoyment.*
- *Powerful and Warm: Experience the cozy embrace of a 50,000 BTU flame, providing ample warmth for chilly evenings. Gather around the firetable with friends and family to create memorable moments in the comfort of a radiant blaze. Take control of the ambiance with the adjustable flame control, allowing you to set the mood precisely to your liking. From a roaring fire to a subtle flicker, tailor the flame height to match your outdoor setting.*
- *Safety and Durability: Crafted with safety and durability in mind, our propane firetable is built with high-quality stainless steel. The reliable ignition system ensures easy and safe operation, providing peace of mind while you enjoy the mesmerizing flames. Designed to withstand the elements, this firetable is constructed with weather-resistant materials, ensuring durability and longevity. Enjoy the ambiance of a warm fire even in diverse weather conditions.*

Specifications:
